

Impact Cup

The Impact Cup 2025 promises an exhilarating day of team-based tennis competition at the award-winning Barnes Tennis Center, coinciding with the prestigious USTA Girls Nationals. Teams of players, representing all levels of play, will go head-to-head, not only for the thrill of taking home the Impact Cup but also to fuel their mission off the court—raising essential funds to empower youth in our community.

This one-of-a-kind event combines the spirit of competition with a greater purpose, as we come together to provide free access to tennis and educational resources for the next generation. As each serve is struck and every game is won, our players will be reminded that tennis is more than a sport—it's a powerful platform to set young lives on a path to success.

How it works:

Teams will be formed and compete in two ways:

- **Fundraising:** Individual and team fundraising goals directly support free tennis access and educational resources for youth in our community.
- **Tennis:** A fun team-based competition at Barnes Tennis Center during final weekend of the 2025 Girls Nationals.

Fundraising Competition:

- Raise the most money individually, and as a team, to directly impact recreational and educational resources for under-resourced youth.
- By participating you commit to raising a minimum of \$2,500!
- Players will use their networks to hit their goals and raise money.
- The competition will be tracked online where everyone can stay up to date with all the details. (ex. money raised, leading team, etc.)

Tennis Competition:

- A team-based tennis tournament hosted at Barnes Tennis Center during the final weekend of the 2025 Girls Nationals (August 9-10).
- **Competition Format:** Round-robin, 5 matches per team.
- **Match Structure:** Each match consists of 4 doubles lines (Open, 4.5, 4.0, 3.5) – 1 set per line.
- **Doubles Pairings:** Can be men's, women's, or mixed, and can change per match but must stay within the level.
- **Winning Team:** Determined by total sets won; in case of a tie, head-to-head results decide the winner.

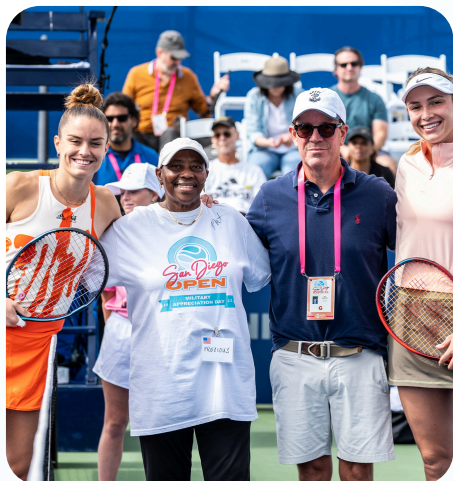

Team Format:

- Teams will be the same for the fundraising and tennis competitions.
- 6 teams, each with a minimum of 8 players (2 per level: Open, 4.5, 4.0, and 3.5).

Creating/Joining a Team:

- Anyone can create or be on a team!

YTSD Vision

By placing a racquet in the hands of a child who might never have stepped onto the court, or by providing essential educational resources to those in need, we're investing in a brighter future for our youth. Together, let's open doors of opportunity and empower every child to succeed.

Youth Tennis San Diego, a nonprofit (501)(c)(3) organization, contributes to the development pathway of all youth by providing physical, mental, emotional, educational, and social platforms through tennis for children to thrive.
